

Colored Jules

Large Poncho

Description

This garment is made using two different sized needles (making an odd pair) and using plain garter stitch - just knit, no purl! This gives you a lovely texture.

It is knitted all in one piece from front to back, so no seams to darn in and you can wear any way around you choose.

Abbreviations

st. = stitch sts. = stitches k = knit 2tog = knit 2 sts together

Increase = Knit into front of st. and then into back of st. before taking it off the needle.

Decrease = knit 2tog.

IMPORTANT—If you have hanks rather than a ball of yarn, wind them into balls. When knitting, knit two rows from one ball, and two from another ball to blend the colours, otherwise you will wind up with a sudden colour change in your garment.
