Sleeves

The next 52{53} sts. make a sleeve.

Crochet 52{53} dc. Bring hook around to marker and join with a slip st.

Crochet 1{3} row(s) (Do not crochet into slip st.)

Next row: Decrease by skipping a st, twice at random during row.

Mark end of row.

Continue decreasing at each end of every 5th row until 45 sts. remain.

Test length of sleeve by trying on or measuring remembering to make 2cm shorter than desired, as
Mohair will drop with wear.

Check if cuff is to wide. If so, reduce to 26st by 1dc, skip dc then skip every 5th dc until end of row.

Continue with plain rows until desired length.

To finish sleeve – Cut yarn pull through next st. and through loop on hook. Use hook to darn in yarn.

To make second sleeve, fold garment in half and mark where other sleeve should join. Count stitches on what
will be the back and front to check you have the sleeve marked in the correct place.

Continue as for sleeve above.

Body
Join yarn to underarm of sleeve (either one) and continue with plain rows until you reach desired length.
Remember the jumper will drop with wear so you might like to make it a bit shorter than you need.

To finish
Cut yarn pull through next st. and through loop on hook. Use hook to darn in yarn.
