Description

A round neck cardigan knitted in 12ply (chunky) Hand Dyed Boucle Mohair. Because of the nature of the yarn, this garment is just plain garter stitch. You can knit a band and include button holes and buttons, or just leave it plain like a jacket. Because it is plain knit you don't need bands if you don't want them, as the fabric will not curl.

Abbreviations

sts. = stitches; K = knit; s t. = stich; Decrease - knit two stitches together.

Tension

13 sts and 21 rows over 10cm in garter st.

It is important to knit a tension square to check your tension before knitting a garment. Incorrect tension will change the size of the garment. If you knit with less stitches per 10cm, use a smaller needle. If you knit with more stitches, use a bigger needle.

Pattern

IMPORTANT—Wind hanks of yarn into balls. Knit two rows from one ball, and two from another ball to blend the colours, otherwise you will wind up with a sudden colour change in your garment.
